### **Internal Quality Assurance cell**

### **IQAC Perspective Planning and Action Taken Report**

**2020-21 to 2015-16**

#### **Brief Report**

Internal Quality Assurance cell of the institute plays key role in planning and execution of various academic, co-curricular activities. It ensures proper planning in the following domain-

1. Perspective planning of the institution-short, medium and long term planning
2. Planning of all departments
3. Planning of all committees
4. Semester wise plan for each department

#### **Strategic planning and execution**

1. Preparation and submission of AQAR, IIQA, SSR
2. Academic Activity Planning
3. Identification of learners and remedial and bridge courses
4. Student mentoring
5. Implementation of courses
6. Quality related events like organisation of seminar, workshops
7. Review of activities by committees and departments
8. Planning for physical and academic support facilities

### Internal Quality Assurance Cell

Student's Feedback (Online) Responses and Analysis and input for Action by Principal

Year 2020-21

The Internal Quality Assurance Cell taken feedback online from Students. A questionnaire comprising of 25 multiple choice questions. That are divided in four parts.

Part A- Related to course and curriculum

Part B- related to Teacher, teaching methods, depth of knowledge etc.

Part C- Related to Infrastructure facilities

Part D- Related to Library, Sports Facilities, Extracurricular activities, office

Last part contains open ended questions

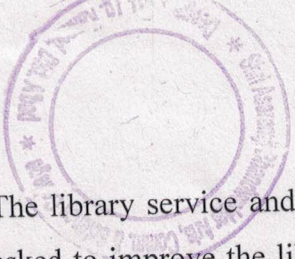

This questionnaire was circulated online among the students. 259 responded. This feedback was analysed and also discussed in the meeting of College Development Committee.

The overall feedback is good but some of suggestions received from the students following action needs to be taken immediately

1. Most of the students responded that sports facility should be improved. It is necessary to improve the play ground, sport equipment and need to increase sports activities in the college. Accordingly these suggestions were informed to the Executive Management of Shri Ganesh Shikshan Sanstha.

Principal  
Shri Asaramji Bhandwaldar Arts

- 
2. The library service and facilities should be improved. The Head of the Library was asked to improve the library services like timely supply of books, information about the availability of books in the library to the students etc.
  3. Institute should increase activities that will enhance practical experience for students like study tours, internships etc. So principal informed all faculty members that after starting of offline activities all should undertake study tours, internships etc.
  4. Science practical should be regular. The staff of the science department was informed to take regular practical and asked them to give any requirement necessary for practical.
  5. Examination form filling facility must be improved. Students have to wait for longer time. Hence proper management is necessary. For this purpose, it was decided to increase the tables with computer during examination form filling period.
  6. There were some responses that Online classes should be taken regularly and more study material should be provided. For this purpose, principal in the meeting with the staff informed to all faculty members to organize online classes regularly. He also informed the staff to make available recorded videos of lectures, notes in pdf form.

**Feedback action taken report**

**For the Year 2019-20**

This year student satisfaction survey was undertaken

The overall findings of the survey are as following

1. Overall feedback is good
2. For the use of LCD projector, multimedia for teaching the response is 41.46% neutral
3. To increase the number of reference books in the library
4. To start skill based courses
5. To increase equipments in the laboratory
6. To start guidance for the competitive examination
7. To increase competitive nature among the students
8. To make available Wi-Fi facility in the campus
9. There should be Parent-Teacher interaction

Accordingly Principal instructed to Vice Principal of Science to give the list of laboratory equipments and other required chemicals. He also formed one Committee to monitor use of multimedia and projector while teaching. The members of the committee are Dr Sadashiv Pawar, Dr U. B Pathre . Also Principal informed to all faculties to increase the student's activities like quiz program, seminars, debate competition etc so as to increase the competitiveness among the students

**Feedback action taken report**

**For the Year 2017-18**

In the meeting of IQAC organized on 11/07/2018 discussed on feedback analysis. The feedback of all staff is satisfactory. It has been suggested by the principal that E-content should be developed by the faculty. Accordingly each staff member should attend the training program for e-content development.

It was also decided to take feedback on curriculum. For taking feedback online method should be used. Accordingly on trial basis it was decided to take feedback by using Google forms online.
