## Guidelines for the maintenance of physical Infrastructure

- 1)To ensure the interruption free functioning of all academic and administrative activities on the campus
- 2) To ensure timely updating of IT facilities
- 3) To insure requirements of laboratories
- 4) Emergency maintenance should be completed on priority basis.

## Details of external agencies involved maintenance of physical and academic facilities

- 1) Maintenance of CCTV systems and computer, projectors in classrooms anti-virus ---- Pushpak Infotech
- 2) Internet and Wi-Fi-----Mr Gokul, BSNL
- 3) Water purifiers- Aqua Water Solutions

## Details of uses of the physical and academic support facilities

- 1) classrooms- Academic planning and class management is executed as per the strength of the students. Special infrastructure for teaching and learning is dedicated. Parent institute granted two buildings for this purpose

In one building office, staffroom, some classrooms, for PG are given while in others building all UG classes are taken. Science laboratories are separate. A well described plan is made for sharing of infrastructure

## Seminar Hall & Auditorium

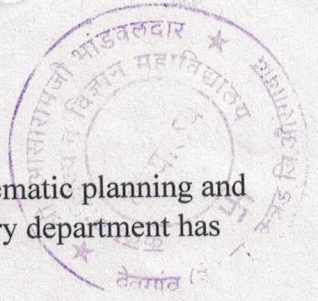

The parent institute has provided separates hall as seminar hall naming "Mahatma phule sabhagruh". This hall have LCD projector facility. In college building there are two classrooms with projector facilities these halls are used when students strength is less
